Lunar Meditation

Lunar Meditation (Close-Up)

Harmonious Rebirth

Susan Kapuscinski Gaylord works in multiple media with a focus on sculptural bookmaking and calligraphy. “The Spirit Books merge my response to the mystery and miracle of nature with the long-standing tradition of books as testaments of faith and belief. Working with handmade papers, natural materials, beads, and stitching, I create contemplative objects that straddle the boundary between sculpture and book... they are both celebration and elegy.”
