

Duos

Some things are just better together
like chocolate and coffee

The perfect union
of bitter and sweet . . .

Latte with Friends

Warm wood of café tables
invite as friends gather
for fellowship
and conversation.

There's something to be said
about the
aroma of a vanilla latte,
chatter of nearby patrons...
an espresso machine's
agreeable noise,
encouraging transparency.

Listen closely to the chatter...
you'll hear stories
of financial loss,
long walks on the shore,
love rekindled,
the birth of a granddaughter,
snuggles with Fido.

Long-time friends
laugh,
embrace
imperfection, purpose,
nature,
each other.

Coloring

Spilling over edges
of stark white pages
images of foxes and leaves
awaken
with waxy
sepia, mahogany, tumbleweed
hues.

The warmth of a lapis lazuli mug fits
perfectly
inside my palms, hiding lines . . .
evidence of
adventure and wisdom.

Peaks of fluffy whip cream . . .
evocative
of the Sangre De Cristo
Mountains after a
snowfall.

I gently
scribble my morning
away.
